# Maharishi Ayurveda

The oldest natural system for body and mind care and well-being.

It is an holistic science that considers consciousness, mind, body and environment as an integrated whole. Maharishi Ayurveda Cosmetics uses only superior quality raw materials such as precious oils, pure spring Oligomineral water from high mountain, mixtures consisting of pure plant extracts from traditional Ayurveda.

The delicate aromas are made only from essential oils and perfumes or fragrances not synthetic. The health and well-being depend on the balance of the 3 Doshas: Vata, Pitta, Kapha that regulate various functions of the body.

Each treatment is a truly sensational experience!

# Emotion

Aesthetics and sophisticated biological technology.

Total exclusion of animal-derived ingredients or substances that can alter the skin function: mineral oils, silicones, paraffin and vaseline.

Only high-quality vegetable butters, natural waxes, extracts and active ingredients synergistic pure vegetable oils. Peeling with ultrasound, electroporation almost perfectly to convey the active ingredients contained in products.

Technology for aesthetics.
